FOREWORD

It has been a tough year due to the Covid-19 Pandemic. I believe that there have been many challenges in conducting capacity building programmes and field visits. However, I am delighted to learn that the State Agricultural Management and Extension Training Institute (SAMETI), Mizoram has come up with this exhaustive Annual Report for the year 2020-21. This document contains various activities and programmes carried out by SAMETI, Mizoram.

The current situation we are facing has brought to light the dire need of capacity building for the farmers, the extension functionaries and those involved in the development of agriculture and allied sectors within the State. Development in terms of Knowledge, Attitude, Skill and Understanding is highly required for the effective performance of all the extension functionaries in the State of Mizoram. I am pleased to learn that SAMETI has been taking up various programmes in order to enhance the capacity and skill of these extension functionaries. It is also encouraging to know that all Agriculture and Allied Departments of Government of Mizoram have converged and cooperated in making the programmes a success. I hope that officers and field functionaries of various departments will benefit from the cross learnings and expertise shared by the faculties and staff of SAMETI.

I sincerely hope that all the learnings through the programmes reach the ultimate target beneficiaries, i.e., our farmers. I urge upon all the stakeholders and participants from Agriculture and Allied Departments to apply their knowledge and skills for the optimum benefit of our farmers.
