FOREWORD

I am delighted to learn that the State Agricultural Management and Extension Training Institute (SAMETI), Mizoram have come up with this exhaustive Annual Report for the year 2018-19.

Capacity building in terms of Knowledge, Attitude, Skill and Understanding is the need of the hour for the effective performance of all the extension functionaries in the state of Mizoram. I am pleased to learn that SAMETI has been taking up various programmes in order to enhance the capacity and skill of these extension functionaries. It is also encouraging to know that all Agriculture and Allied Departments of Government of Mizoram have converged and cooperated in making the programmes a success. I believe that officers and field functionaries of the various departments will benefit from the cross learnings and expertise shared by the faculties and staff of SAMETI.

I sincerely hope that all the learnings through the programmes reach the ultimate target beneficiaries, i.e., our farmers. I urge upon all the stakeholders and participants from Agriculture and Allied Departments to apply their knowledge and skills for the optimum benefit of our farmers.

I would also like to compliment the Director, faculties and staff of SAMETI for bringing out this Annual Report, 2018-19.

Date: 22nd July 2019

(Dr. H. SAITHANTLUANGA)

PREFACE

State Agricultural Management & Extension Training Institute (SAMETI), Mizoram is an autonomous institution under the Department of Agriculture, Government of Mizoram and registered under Mizoram Societies Registration Act, 2005, (Regn. No.S.R./MZ -113 of 2005-06 date 6th December, 2005). SAMETI plays a crucial role in Capacity Building of extension functionaries and farmers, identifying the needs for capacity building, designing and conducting training activities in the areas of Agricultural Extension Management. Thus, SAMETI is made responsible to undertake needed roles for successful implementation of the project like conducting training, provide consultancy and research support to other line departments or any other client in line to their mandate.

During 2018-19, 15 On and Off Campus training programmes were completed successfully in all the districts of Mizoram. 3 Skill Development Training Programmes and 18 Skill Training of Rural Youth were also conducted in selected sectors. SAMETI has also been working in close collaboration with Departments of Agriculture/ Horticulture/ AH&Vety./ Sericulture/ Fisheries/ Soil & Water Conservation and Land Resource Department, Govt. Of Mizoram; MANAGE, Hyderabad; EEI (NE Region), Jorhat; KVKs; ICAR; NIRD and other Institutions/ organizations like FOCUS, MOM, FAO-UN and NIAM in sharing resources and technical expertise. A total of 395 extension functionaries from agriculture and allied departments have successfully been trained during the year.

SAMETI has been trying to deliver the best to its stakeholder participants involving them in both theory and practical sessions during the trainings so as to enhance their knowledge and skills, and also develop a positive attitude in them. Team building, Knowledge & Skill Development and Convergence are few of our approaches applied to motivate our extension personnel within the state in bringing out the highest potential they have to perform effectively for the benefit of our farmers.

The activities taken up by SAMETI during 2018-19 have been documented in this Annual Report. I hope that this Report will be useful for future reference and also enlighten the line Departments of the State Government in knowing the nature of works and activities of SAMETI, so that we can better coordinate in the years to come.

I do acknowledge the effort and devotion of my Colleagues in preparing this Annual Report 2018-19.

1st July 2019

(R.K.NITHANGA)

Director, SAMETI, Mizoram

3. INTRODUCTION

State Agricultural Management and Extension Training Institute is an autonomous state level Institute with a mandate of conducting capacity building programmes for Extension Functionaries in the State. Training courses are organized on Agricultural Technology, Extension Management, Gender Mainstreaming, Human Resource Management, Extension Reforms and Information Technology. SAMETI also aims to provide extension management input for extension functionaries of Agriculture and Line Departments. Apart from conducting training programmes, SAMETI facilitates in conducting workshops and reviews.

SAMETI has been set up under Support to State Extension Programme for Extension Reforms Scheme under the umbrella of National Mission on Agriculture Extension & Technology –Sub Mission on Agriculture Extension (SMAE). 5. REPORTS ON PROGRAMMES CONDUCTED

5.1. Summary of programmes conducted in 2018-19

During 2018-19, a total of 62 programmes have been conducted and completed successfully by SAMETI, Mizoram (Table 5.1.). The Institute conducted 15 training programmes out of which 11 were On- campus training programmes, 4 off campus training programmes and 3 collaborative programmes with EEI (NE Region) and MANAGE (Hyderabad). 3 Skill development Training Programmes and 18 STRY programmes were also conducted successfully. 9 candidates registered for the PGDAEM 11th batch and successfully completed the course with flying colours.

As a Resource Institute, SAMETI has also conducted 14 capacity building programmes for Farmer Producer Organizations under Mission Organic Mizoram. In collaboration with FAO-India, 3 programmes have been conducted during the current year. The Director and faculties of the institute also participated as trainees, delegates and resource persons in 8 programmes conducted by other institutes, organizations and departments.

5.2. Training programmes conducted in 2018-19

15 training programmes were conducted during 2018-19 out of which 7 were On-Campus training programmes, 4 Off-Campus programmes, and 4 Collaborative programmes. A total of 395 extension functionaries from the departments of Agriculture, Horticulture, Animal Husbandry & Vety., Soil Conservation & Land Resource Department, Sericulture and Fisheries participated in the programmes (Table 5.2). It was encouraging finding that 39.30% of the participants were female and 60.70 % male. One of the main concerns of SAMETI is to increase women participation in the training programmes. This has been successfully achieved in the current year.

5.6. District wise distribution of participants in the training programmes during 2018-19

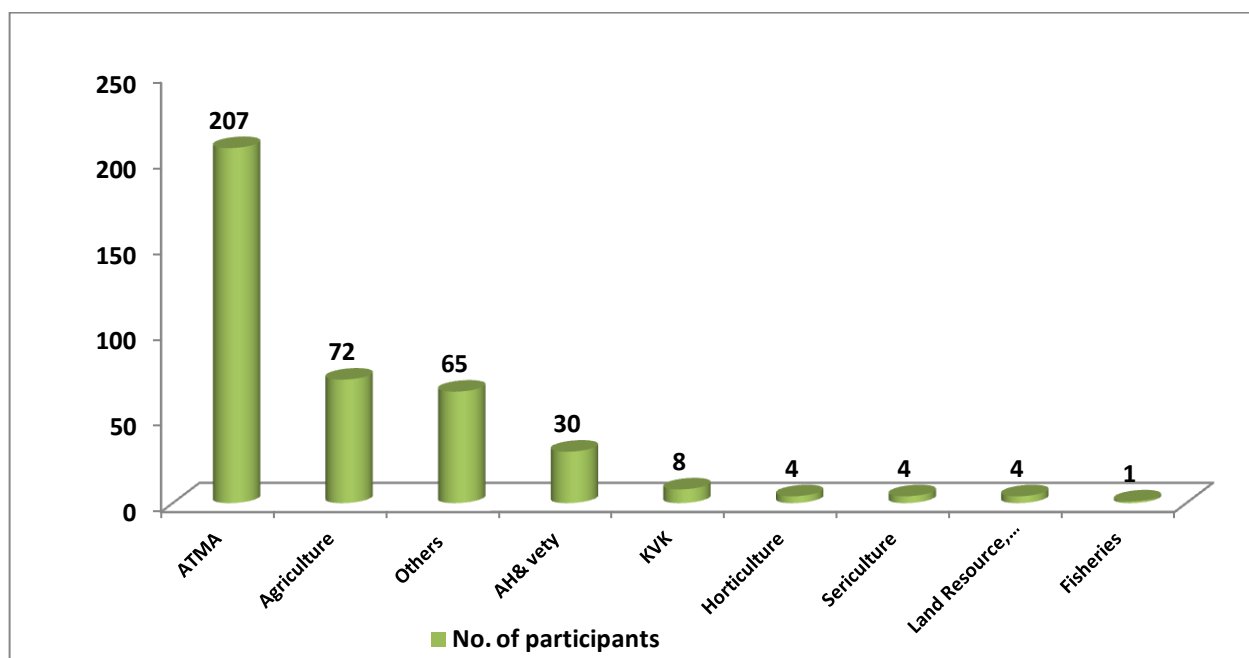

As shown in the Fig. 5.6., the participation of officers from all the districts across the state was encouraging. The highest number of participation was observed from Aizawl District with 105 Extension functionaries followed by Champhai District with 70 numbers of participants trained during 2018-19. More efforts can be taken up to increase participants from districts like Serchhip, Lawngtlai and Siaha in the training programmes. The distribution of participants across districts is given in **Appendix-I**.

Fig. 5.6. District wise distribution of participants in the training programmes during 2018-19

5.7. Department wise distribution of participants in the training programmes

One of the mandates of the institute is to bring together the different allied department under one platform so as to enhance the capacity of the vast pool of extension personnel in the state. For this, convergence and linkage with line departments and institutions has been an important approach of the institute. The officers of different allied department have been very cooperative and showed keen interest and appreciation towards the programmes organized by SAMETI. Fig.5.7 depicts the distribution of participants from the departments of Agriculture, Horticulture, AH& Vety., Fisheries, Sericulture, Soil & Water conservation and Land Resource Department, KVK, ATMA, MOM, FOCUS, MFPTRC. It was encouraging to observe a good number of participation from other departments/organizations like FOCUS, MOM and MFPTRC. This year, participation from Departments of Horticulture, Sericulture and Fisheries has reduced compared to the participation in the previous year. Hence, more efforts have to be put forward to increase their participation in the training programmes. The distribution of participants across departments is given in **Appendix-II**.
