FOREWORD

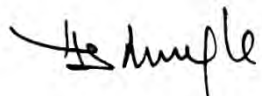

I am happy to learn that the State Agricultural Management and Extension Training Institute (SAMETI), Mizoram have come up once again with Annual Report for the year 2019-20.

SAMETI, since its inception has been very instrumental in disseminating new technologies, and also upgrading the knowledge and skill of the extension functionaries of the State, who are implementing various schemes of development.

I sincerely hope that all the learning through the programmes reach the ultimate target beneficiaries, i.e., our farmers. I urge upon all the stakeholders and participants from Agriculture and Allied Departments to apply their knowledge and skills for the optimum benefit of our farmers.

I would also like to compliment the Director, Faculties and Staffs of SAMETI for bringing out this Annual Report, 2019-20.

Date: 18th May, 2020

(Dr. H. SAITHANTLUANGA)

PREFACE

State Agricultural Management & Extension Training Institute (SAMETI), Mizoram is an autonomous institution under the Department of Agriculture, Government of Mizoram and registered under Mizoram Societies Registration Act, 2005, (Regn. No.S.R./ MZ -113 of 2005-06 date 6th December, 2005). SAMETI plays a crucial role in Capacity Building of extension functionaries and farmers, identifying the needs for capacity building, designing and conducting training activities in the areas of Agricultural Extension Management. Thus, SAMETI is made responsible to undertake needed roles for successful implementation of the project like conducting training, provide consultancy and research support to other line departments or any other client in line to their mandate.

During 2019-20, One of our Faculties Dr. Baby Zaithanpuii Hmar, Faculty (PHT) left us and joined Mizoram University as Assistant Professor leaving a big vacuum to the Institute. We would like to put on record her sincere devotion and contribution toward the progress of SAMETI, Mizoram during her tenure as Faculty. It is a relief that the Governing Council of SAMETI very quickly recruited her replacement and selected Ms. Vanlalramchhani Chhangte, a young and brilliant Engineer as new Faculty. With her joining, we hope that SAMETI, Mizoram will be once again uplifted and jump with better progress.

Besides our normal Training programmes, we have collaborative programmes with MANAGE, Hyderabad, EEI, Jorhat, NIAM, Jaipur, FAO of UN, ASCI of Govt. of India and MOM of MOVSD which are elaborated in the Report.

The activities taken up by SAMETI during 2019-20 have been documented in this Annual Report. I hope that this Report will be useful for future reference and also enlighten the line Departments of the State Government in knowing the nature of works and activities of SAMETI, so that we can better coordinate in the years to come.

I do acknowledge the sincere effort of my Colleagues in preparing this Annual Report 2019-20.

18th May, 2020

(R.K.NITHANGA)
Director,
SAMETI, Mizoram

3. INTRODUCTION

State Agricultural Management and Extension Training Institute is an autonomous state level Institute with a mandate of conducting capacity building programmes for Extension Functionaries in the State. Training courses are organized on Agricultural Technology, Extension Management, Gender Mainstreaming, Human Resource Management, Extension Reforms and Information Technology. SAMETI also aims to provide extension management input for extension functionaries of Agriculture and Line Departments. Apart from conducting training programmes, SAMETI facilitates in conducting workshops and reviews.

SAMETI has been set up under Support to State Extension Programme for Extension Reforms Scheme under the umbrella of National Mission on Agriculture Extension & Technology –Sub Mission on Agriculture Extension (SMAE). The Institute has been registered under Mizoram Societies Registration Act 2005 (Act No.13 of 2005) with Registration No.SR/MZ -113 of 2005-06 Dt.06.12.2005. Previously the name of the Society was registered as MAMETI, and later (w.e.f.29.12.2016) changed the name as SAMETI, Mizoram, so as to have common nomenclature with other States.

5.3. District wise distribution of participants in the training programmes during 2019-20

As shown in Figure 5.3., Participation of ATMA Extension functionaries from all the districts across the state was encouraging. ATMA, Kolasib District had the highest number of participants with 46 Extension functionaries followed by ATMA, Aizawl District with 43 numbers of participants trained during 2019-20. More efforts can be taken up to increase participants from districts like, Siaha, Lawngtlai, Serchhip and Mamit in the training programmes. The distribution of participants across districts is given [Appendix-I \(A\)](#).

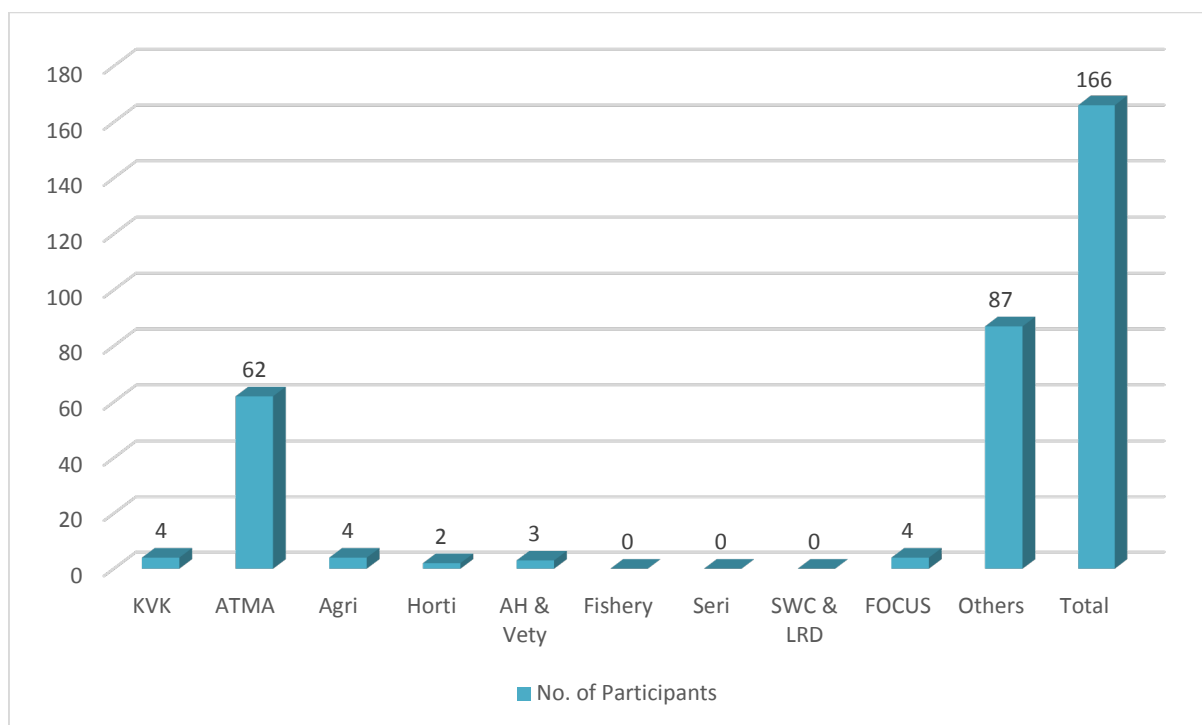

Fig. 5.3 District wise distribution of participants in the training programmes during 2019-20

5.4. Department wise distribution of participants in the training programmes

One of the mandates of the institute is to bring together the different allied department under one platform so as to enhance the capacity of the vast pool of extension personnel in the state. For this, convergence and linkage with line departments and institutions has been an important approach of the institute. The officers of different allied department have been very cooperative and showed keen interest and appreciation towards the programmes organized by SAMETI. In Fig.5.4 depicts the distribution of participants from the departments of Agriculture, Horticulture, AH& Vety., Fisheries, Sericulture, Soil & Water Conservation and Land Resource Department, KVK, ATMA, MOM, FOCUS, MFPTRC. It was encouraging to observe a good number of participation from other departments/organizations like FOCUS, MOM and MFPTRC. This year, participation from allied departments has reduced as compared to the participation of the previous year. Hence, more efforts have to be put forward to increase their participation in the training programmes. The distribution of participants across departments is given in **Appendix-I (B)**.
