2017

**STATE AGRICULTURAL MANAGEMENT & EXTENSION TRAINING INSTITUTE (SAMETI)**

On implementation of the National Mission on Agricultural Extension and Technology (NMAET), the Government of Mizoram established State Agricultural Management & Extension Training Institute (SAMETI), Mizoram as an autonomous institution under the Department of Agriculture, Government of Mizoram and registered under Mizoram Societies Registration Act, 2005. (Regn. No.S.R./ MZ -113 of 2005-06 date 6th December, 2005) as satellite institute for MANAGE to carry out the Extension reforms process. SAMETI plays a crucial role in Capacity Building of project functionaries and farmers, identifying the needs for capacity building, designing and conducting training activities in the areas of Agricultural Extension Management. In order to simplify the decision making process at Institutional level, the SAMETI is provided autonomous status. Thus, SAMETI is made responsible to undertake needed roles for successful implementation of the project like conducting training, provide consultancy and research support to other line departments or any other client in line to their mandate. SAMETI may establish linkages and networking with other Technical and Management Institution at State, National and International level. SAMETI serves as resource base for training in Agricultural Management and other relevant subjects.

**Key Functions of SAMETI**

- Provide capacity building support in Extension Management related areas to the extension functionaries from public, private and non-governmental sectors.
- Provide consultancy in the areas like project planning, appraisal, implementation, monitoring & evaluation, etc.
- Develop and promote application of management tools for improving the effectiveness of Agricultural Extension services.
- Organize need based training programmes for middle level extension functionaries.
- Develop modules on Management, Communication, Participatory Methodologies etc, as a sequel to the feedback from training programmes.
- Organize Annual Workshop involving all the agricultural related training institutes in the State to achieve complementarity in training and capacity building for functionaries of agriculture and allied departments.
- Will coordinate with MANAGE in organizing DAESI programme.

**General Council (GC) at SAMETI:**

To guide the SAMETI for effective functioning and to achieve its goals, the concept of having councils at different levels for taking strategic decisions and provide guidance on policy matters is adopted. SAMETI have a General Council at apex level for policy guidance. The formation of the GC is given below:

## Preface

On implementation of the National Mission on Agricultural Extension and Technology (NMAET), the Government of Mizoram established State Agricultural Management & Extension Training Institute (SAMETI), Mizoram as an autonomous institution under the Department of Agriculture, Government of Mizoram and registered under Mizoram Societies Registration Act, 2005, (Regn. No.S.R./ MZ -113 of 2005-06 date 6<sup>th</sup> December, 2005) SAMETI plays a crucial role in Capacity Building of project functionaries and farmers, identifying the needs for capacity building, designing and conducting training activities in the areas of Agricultural Extension Management. In order to simplify the decision making process at Institutional level, the SAMETI is provided autonomous status. Thus, SAMETI is made responsible to undertake needed roles for successful implementation of the project like conducting training, provide consultancy and research support to other line departments or any other client in line to their mandate. SAMETI may establish linkages and networking with other Technical and Management Institution at State, National and International level. SAMETI serves as resource base for training in Agricultural Management and other relevant subjects.

Since inception, SAMETI, Mizoram had been manned from Directorate of Agriculture, and Deputy Director of Extension as Nodal Officer. In 2015, Dr.H.Saithantluanga, Grade III of Mizoram Agriculture Service was deputed to the post of Director, SAMETI as the first full-fledged Director who also functioned as State Coordinator, ATMA till November, 2016. I then took over the charge of Director, SAMETI on deputation w.e.f.14<sup>th</sup> November, 2016 till date.

I feel that the activities during 2016-17, though not much, needs to be kept as Annual Report, that make us published this SAMETI Annual Report 2016-17, the first of its kind from this Institute.

I hope that this Report will be useful for future reference and also enlighten the line Departments of the State Government knowing the nature of works and activities of SAMETI, so that we can better coordinate in the years to come.

### Group Discussion in the Field

## **SKILL TRAINING PROGRAM**

Skill India program is launched by Prime Minister, Narendra Damodardas Modi on 15 July 2015 which aim to train over 40 crore (400 million) people in India in different skills by 2022, creating Ministry of Skill Development and Entrepreneurship. The Ministry is responsible for co-ordination of all skill development efforts across the country, removal of disconnect between demand and supply of skilled manpower, building the vocational and technical training framework, skill up-gradation, building of new skills, and innovative thinking not only for existing jobs but also jobs that are to be created.

This Ministry is aided in these initiatives by its functional arms – National Skill Development Agency (NSDA), National Skill Development Corporation (NSDC), National Skill Development Fund (NSDF) and Agriculture Skill Council of India (ASCI) is one of the 33 Sector Skill Councils (SSCs) as well as 187 training partners registered with NSDC. The Ministry also intends to work with the existing network of skill development centres, universities and other alliances in the field. Further, collaborations with relevant Central Ministries, State governments, international organizations, industry and NGOs have been initiated for multi-level engagement and more impactful implementation of skill development efforts.

Under the initiation of Skill India program, Farmer Capacity Assessment and Certification (FCAC) & Skill Training of Rural Youth (STRY) are the schemes implemented through Department of Agriculture Cooperation & Farmers Welfare (DAC & FW) under Sub-Mission on Agriculture Extension (SAME) of National Mission on Agriculture Extension & Technology (NMAET)

### **SKILL TRAINING OF RURAL YOUTH (STRY):**

“Skill Training of Rural Youth (STRY)”, aimed at imparting skill-based training to rural youth on agri-based vocational areas in compliance with National Policy on Skill Development & Entrepreneurship-2015 in agriculture & allied areas to promote employment in rural areas. The main objectives are: (i) Offer modular skill training opportunities to rural youths including farmers and farm-women, based on local needs. (ii) Create a pool of skilled manpower to perform farm and non-farm operations. With a target group of rural youth of the age 18 years or above having minimum qualification, preferably 5th standard, however, the minimum qualification is not mandatory.

Training to rural youths shall be imparted through KVKs, NYKs, FTCs/VTIs/ NTIs and/or any other identified training institutions at State / District level, after the SAMETIs identify the districts and potential institutes in consultation with the State Nodal Officer (SNO) of Extension Reforms (ATMA) for implementation of the programme. Institution identified for training shall design the course curricula in need based areas of agriculture & allied sector as per National Occupational Standards (NOS) and QPs developed by the Sector Skill Council (SSC) of respective States or ASCI in compliance with National Skill Qualification Framework(NSQF) of MSDE.

## SKILL TRAINING OF RURAL YOUTH (STRY) CONDUCTED IN MIZORAM DURING 2016-17

### **FARMER'S CAPACITY ASSESSMENT AND CERTIFICATION (FCAC)**

"Famer's Capacity Assessment & Certification" is aimed at providing recognition to the farmers who have acquired desired skills in agriculture & allied areas but continued to be treated as unskilled in the absence of a certificate and certification. The main objectives are:-

- (i) to create a pool of skilled work force of farmers in agriculture and allied sectors by assessment of a competency or skill that an individual already possess.
- (ii) to provide recognition to the high degree of farm skills possessed by farmers & farm women who continue to be treated as unskilled in absence of certificate. The target groups are; farmers, farm women & rural youth above the age group of 18 years, who possess traditional skills in various sectors of agriculture & allied disciplines preferably with minimum qualification up to 5th standard, however the minimum qualification is not mandatory.

MANAGE at National Level will coordinate this activity through SAMETIs established at State Level and ATMA's at District level and facilitate in developing competency based assessment modules on various Subject Matter areas in compliance with the norms specified by Sector Skill Council, with National Occupational Standard(NOS) & Qualification Packs(QPs). The SNO of Extension Reforms (ATMA) Scheme along with existing NGOs/Vocational Training Institutions/ KVKs/SAUs/NYKs/RSETIs etc. will carry out advance planning on the onset for better participation of farmers.

## **Post-Graduate Diploma in Agricultural Extension Management (PGDAEM)**

### **Promoting Professionalism in Public Extension System**

National Institute of Agricultural Extension Management (MANAGE) has launched one-year Post-Graduate Diploma in Agricultural Extension Management (PGDAEM) programme for the public extension functionaries in distance learning mode in 2007. The programme is sponsored by Dept. of Agriculture and Cooperative, Ministry of Agriculture, Govt. of India. SAMETI is looking after PGDAEM at state level under the guidance of MANAGE.

### **Course Objectives:**

- To enhance the techno-managerial competence of extension functionaries.
- To acquaint the extension functionaries on the latest development in the field of agricultural extension.
- To equip the extension functionaries with latest tools and techniques for participatory decision making.
- To develop an insight into various extension models to enrich the agri-value chain.

### **For whom**

- Extension functionaries graduated in agriculture and allied areas and currently employed in the state/central/UT Governments.
- Graduates in agriculture and allied areas working in agri-business companies, NGOs, cooperatives and farmers' organizations
- Agri-entrepreneurs and input dealers graduated in agriculture and allied areas.

### **Selection of candidates**

The candidates from government departments for admission into the diploma programme have to forward application through Project Director (ATMA) of the concerned district to the Director, SAMETI, Hyderabad for onward transmission to MANAGE ([www.manage.gov.in](http://www.manage.gov.in)). Candidates from the private sector may apply directly to Director (Agricultural Extension and Communication), MANAGE, Rajendra Nagar, Hyderabad.

*Admission to the Diploma Programme is made once in a year in the month of September / October every year.*

## **Duration**

The duration of the programme is of one-year, spread over two Semesters with a credit load of 32 hours. In each semester contact classes will be held at SAMETI.

## **Delivery Mechanism**

The programme is conducted in distance learning mode with the support of printed material, contact classes, e-learning resources and assignments. The candidates are required to complete one assignment for each course in a semester.

## **Programme Evaluation**

The candidates will be evaluated based on the performance in the written examination and assignments. The written examination is of 70 marks and assignment is of 30 marks for each course. A minimum of 50 marks is required to qualify in each course. The candidates who score 70% marks and above will be awarded first division and those who score 80% marks and above will be awarded distinction. The candidates who failed to qualify will be allowed to re-appear for the examination in the next semester.

## **Fee Particulars**

### **Government employees**

A provision is made in the revised cafeteria of State Extension Work Plan (SEWP) to meet the expenses for the P G D A E M. This programme has been included in the State Level innovative activity with a cost norm of ₹ 15,000 per candidate and an annual ceiling of ₹ 3.75 Lakhs per ATMA district. The funds can be utilized from Extension Reforms Scheme after getting approval from ATMA Governing Board.

### **Candidates from private sector/NGOs**

Candidates working in agribusiness companies, NGOs, cooperatives, agri-entrepreneurs, input dealers and other private sector employees etc., have to make a payment of Rs. 25,000/- towards course fee in one installment. The amount should be paid in the form of Demand Draft drawn in favour of MANAGE, payable at Hyderabad.

### **Conditions for award of diploma**

Candidates have to attend the contact classes, submit the assignments, project work, Term end examinations and complete all the academic formalities prescribed as communicated to the candidates from time to time.

### **Undertaking by the candidate from the government sector**

The candidates from the government department who registers for the PGDAEM has to give an undertaking stating that he/she will complete the course within a period of two years failing which the entire course expenditure i.e., Rs. 15,000/- will be recovered from his/her salary. The undertaking has to be forwarded by the sponsoring agency to MANAGE along with the application form. The registration is valid for only two years for all the candidates, including candidates from private sector.

**Note:** *Requests of Government employees for withdrawal from the course shall not be considered after one month of registration. Any such requests should be routed through ATMA only.*
